

### PCC BIOSCIENCE TECHNOLOGY CERTIFICATE OF COMPLETION

Get the preparation you need to work for bioscience manufacturing companies including Genentech, HemCon, Welch Allyn and Precision Wire Components.

- *PCC is offering a 13 credit hour training program specific to industry hiring needs for entry level manufacturing positions.*
- *Training is from September 21 through December 11, 2009 at the Rock Creek campus. Classes will meet in the daytime.*
- *There are a limited number of scholarships funded by bioscience companies for qualifying students. To learn more about this exciting training opportunity, please come to an orientation session.*
