

## CAPITAL CENTER PROGRAMS

PROGRAMS	SUITE	PHONE	E-MAIL	DESCRIPTION
<b>CAPITAL Center High School Technology Institute</b>	1044	503-725-2850	<a href="http://www.nwresd.k12.or.us/capital">www.nwresd.k12.or.us/capital</a>	<b>CAPITAL Center High School Technology Institute</b> provides high school students a solid academic background, technology skills, and extensive career exploration. Students attend classes as a part of their regular school schedule. Programs include engineering, business, and management, information technology, environmental science, health services, automotive technology, and teaching.
<b>Oregon Center for Advanced Technology Education (OCATE)</b>	1045	503-725-2200	<a href="http://www.ocate.edu">www.ocate.edu</a>	<b>OCATE</b> provides professional development opportunities for working engineers in partnership with Oregon universities and industry. Programs include graduate-level courses available on-site or via television, videotape and the Internet; topical workshops; and a free Friday Lecture Series with speakers from industry, R&D and education.
<b>Oregon College of Engineering and Computer Science Business Development</b>	1027	503-725-2916	<a href="http://www.ous.edu/ocecs/">www.ous.edu/ocecs/</a>	<b>The Business Development</b> department is responsible for working with industry to determine their needs for educational programs. Based on this needs analysis it works with academic departments to help develop new courses and programs as well as enhance existing ones. It also recruits resources from industry and government to underwrite new engineering educational and research activities.
<b>Oregon Executive MBA (OEMBA)</b>	1008	503-725-2250	<a href="http://www.oemba.org">www.oemba.org</a>	<b>Oregon Executive MBA</b> is a self-support, consortium, accredited MBA degree program offered by three partners: University of Oregon (degree grantor), Oregon State University and Portland State University. This unique program allows mid-to senior-level managers and executives an opportunity to complete a Master of Master of Business Administration in just two years without interrupting their careers.
<b>Oregon Institute of Technology</b>	1001	503-725-3066	<a href="http://www.oit.edu/portland">www.oit.edu/portland</a>	<b>OIT</b> , Oregon's technical college, offers six bachelor degree programs and corporate contract training/professional development courses in Portland. The degree programs are offered in accelerated degree completion format and include Electronics Engineering Technology, Industrial Management, Information Technology, Management Information Systems, Manufacturing Engineering Technology, and Software Engineering Technology.
<b>Oregon Master of Software Engineering Program (OMSE)</b>	1310	503-725-2902	<a href="http://www.omse.org">www.omse.org</a>	<b>OMSE</b> is a degree and professional development program that draws on faculty from Oregon Graduate Institute, Oregon State University, Portland State University and University of Oregon. Delivered at the CAPITAL Center and via distance technologies, OMSE course enhance the ability of Oregon's software engineers to develop better software products.

## CAPITAL CENTER PROGRAMS

PROGRAMS	SUITE	PHONE	E-MAIL	DESCRIPTION
